NO BANNERS OR FLAGS AT DEEPDALE

As announced through the Press and in our match advertisements, the Board of Directors have decided regretfully that in future banners and flags will not be permitted inside the grounds, at either first or second team games.

It was found that banners and the like constituted a source of irritation and danger to many supporters.

To obviate friction of this kind young supporters are asked not to bring banners or flags to games at Deepdale.

CLUB NOTES

WHOLEHEARTED EFFORT EARNS PRECIOUS POINTS

NORTH END, as every supporter is gratefully aware, gave themselves a welcome lift out of the doldrums of relegation fears by a timely 2-1 home win in the postponed home match with Aston Villa. Additional merit lay in the fact that Villa, after defeats at Blackburn and Blackpool in their two previous games within a week, were expected to fight hard to avoid a third successive setback.

Likewise, no one had any doubts that our former forwards, Brian Godfrey and Brian Greenhalgh, who have played a conspicuous part in Villa's steady emergence into the safety zone in recent months, would do their utmost to shine at Deepdale at the expense of their old club and numerous former colleagues.

From our point of view they succeeded only too well at the outset, a move between the two of them resulting in Greenhalgh giving Villa the lead five minutes after the start. However, not much was seen of either of them after that initial shock, and our best crowd at a home game since Christmas felt better when John Ritchie advanced into the attack to equalise with a terrific shot from Spavin's pass.

The spectators' joy and relief was expressed by vociferous cheering which undoubtedly spurred on North End to redouble their zest in holding on to the initiative. It was a timely and further illustration of the value to the players of an enthusiastic crowd. They responded with an all-out effort which gave our side overall supremacy and produced a fusilade of shots.

This wholehearted drive earned an interval lead with a well taken opportunist's goal by North End's newly signed acquisition, Northern Ireland international Willie Irvine from Burnley, on his Deepdale debut, and the advantage was retained throughout a hard fought second half to yield two precious points.

CLUB NOTES—*continued*

It was only our third win in the League since Hull City were defeated 3-2 at Deepdale as far back as October 7th, the others being 4-1 v. Charlton on December 23rd and 2-0 v. Plymouth on February 3rd, both at Deepdale. In between we had drawn games with Ipswich, Huddersfield, Bolton, Rotherham, and Hull—but lost against Carlisle (twice), Birmingham, Blackburn, Middlesbrough, Bristol, Millwall, Blackpool, Rotherham, Queens Park Rangers, Cardiff and Ipswich.

Thus the last 20 matches produced only 13 points after 12 had been gained from the first 11, hence the team's alarming slump and still serious predicament. But in spite of the disappointment of the recent home defeat against Carlisle United and a rather flattering 4-0 home win by promotion contenders, Ipswich Town, a very good side indeed and one of the best we have played this season, we believe our side can pull out of their troubles.

More of Monday night's spirit will do it, and supporters of the pessimistic variety may find renewed hope in the fact that six of our remaining 11 games, including to-day's are at Deepdale.

SOCCER FROM THE INSIDE

THE MARGIN BETWEEN success and failure in modern football is wafer-thin argues Fulham Manager Bobby Robson.

"The modern fan appreciates this", he says, "Although we as a club have let our fans down they still come in as big numbers as ever to cheer us on."

The Fulham manager agrees that this does not mean that fans no longer demand a winning team. "Supporters want to see their team go out and win" he writes, "this is what the game is all about. But fans are certainly not as blindly partisan as some people would appear to imagine. They are much more knowledgable than they used to be and they appreciate that football today is offering them real entertainment".

What of his belief that the margin between success and failure is razor-thin? "So often do you find", says Robson, "nothing between the top and bottom teams until the pattern of play is suddenly lifted by one player who can produce an exciting, unrehearsed move, and his team are a goal up".

OUR VISITORS—*Huddersfield Town*

WE EXTEND a hearty welcome to Huddersfield Town, famous as League Champions 1923/24, 1924/25, 1925/26, F.A. Cup Winners 1922, and Finalists five times altogether.

Their noted players include Alec Jackson, Roy Goodall, Sam Wadsworth, Ken Willingham, Billy Smith, Clem Stephenson, David Steele, Denis Law, Alf Young, Vic Metcalfe, Ray Wilson.

Formed in 1908, Town started life in the North Eastern League. After only one campaign they moved to the Midland League, and in 1910 were elected to the League's Second Division. This change of status proved only the beginning of Huddersfield's problems due to serious financial worries. In 1919 the club was bottom of Division II after the opening games and facing bankruptcy. Local papers declared, somewhat prematurely (!), that the club had died. Plans were being discussed to move the whole club over to Leeds to replace expelled Leeds City.

But the locals rallied round. Cash was raised and a miraculous transformation occurred, Town winning promotion and reaching the F.A. Cup Final for the first time!

It was the beginning of the club's romantic rise to fame. Soon Huddersfield were to become the first club ever to win the League Championship three years in sequence, and in 1927 and 1928 they finished runners-up.

In addition Town won the Cup and were four times Finalists in 11 years. Once again (in 1938) they reached the Cup Final but were beaten by North End.

OUR VISITORS—*continued from page 9*

After an unbroken run of twenty-five seasons in the top section, Town were relegated in 1952, but got back at the first attempt only to return after three seasons.

1952/53 Huddersfield created a League record by keeping their entire defence (Wheeler; Staniforth, Kelly; McGarry, McEvoy, Quested) intact throughout 42 matches and in 1924-25 created two Division I records which still stand—they conceded only 28 goals and never had more than two scored against them in any game.

This season Town have slumped after a fair start, their record for the last 14 League matches being three wins, four draws and seven defeats by 13 goals to 24.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that FULL USE SHOULD BE MADE OF THE CAR PARKS WHICH ARE PROVIDED.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will AVOID BEING PROSECUTED for inconsiderate use of the highway.

YOUNG SUPPORTERS WARNED

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators have come on to the pitch during matches. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
